Day Boarding Rules & Requirements

Canine Vaccination & Fecal Testing Requirements

In order to protect your pet's health as well as other pet's that may be boarding, we require that all pets be up to date on their vaccinations. Additionally, we require dogs to have had a negative fecal exam within 90 days of their stay. If your dog has not had a recent fecal exam, we can collect a fecal sample and send it out for testing. If your dog's fecal exam is positive for parasites then your pet will be wormed as necessary and limited to walks in our outdoor runs so as to reduce the risk of transmitting parasites to our other boarders.

Proof of vaccinations and a recent fecal exam must be presented either before or at the time of drop-off. If you drop-off your pet without the required proof of vaccinations then your pet will be quarantined until proof of vaccination is provided. If your pet's vaccinations need to be updated, one of our doctors can update them while they are boarding. You will be charged for an office visit and whichever vaccines need to be updated.

Please be advised that if the Bordetella Vaccine is administered on the day your pet is dropped off, no guarantee can be made that your dog will not be at risk of catching Kennel Cough. It takes at least 3 to 5 days for the vaccine to become effective.

Required Dog Vaccinations:	Required Cat Vaccinations:
<ul style="list-style-type: none">○ Rabies○ Distemper / Parvovirus○ Bordetella○ H3N2 & H3N8 Canine Influenza	<ul style="list-style-type: none">○ Rabies○ Feline Distemper

Fleas

If a pet is found to have fleas, the owner will be notified and the pet will be immediately quarantined and treated at the owner's expense.

Bedding & Personal Belongings

Please **do not** bring personal belongings such as bedding, toys, etc. We do not leave toys in the accommodations with pets as they may become soiled, destroyed, and could pose a health risk. If you do bring personal belongings, we cannot guarantee their return.

Additional bedding can be provided to your pet at your request. Please ask one of our Pet Care Coordinators for more information.

Aggressive Behavior

Pets that become extremely aggressive or pose a danger to our staff will not be allowed to further utilize our boarding services. This is in order to protect your pet, our staff, and other pets that may be boarding.

Medications & Supplements

All medications must be in their **original containers**. We will not accept medications combined in food or not in their original containers. This is for the safety of your pet and so we can carefully monitor when your pet is medicated and by whom. This also enables us to stop a particular medication if medical complications arise. There is a flat rate of \$4 per day per pet for all medications and supplements that are administered.

Animal Abandonment Policy

In accordance with the General Statutes of Connecticut Title 49 Chapter 847 Section 49-70b, Schulhof Animal Hospital has the right to transfer abandoned animals to a nonprofit animal rescue or adoption organization. An animal shall be considered abandoned if the owner or keeper of such animal fails to retrieve the animal within five days of the date on which such owner or keeper was scheduled to retrieve the animal. Prior to transferring such animal, Schulhof Animal Hospital shall give notice of its intention to do so to the owner or keeper by trying to reach them at their last-known phone number(s) and at their last-known address by registered or certified mail, return receipt requested. Schulhof Animal Hospital will wait a period of ten days to elapse after the return receipt is returned before transferring such animal.

Sunday

We only offer day boarding during our normal business hours Monday thru Saturday; day boarding services are not available on Sundays.

Rates & Fees

I agree to pay the rates that are in effect at the time my pet is boarding at Schulhof Animal Hospital. I am aware that extra charges may be incurred and I agree to pay them at the time of pick-up. Examples of extra charges may include, but are not limited to: vaccinations, exams, flea treatments, baths, deworming, and/or quarantine boarding.

I have read, understood, and agreed to all of the rules and requirements listed in Day Boarding Rules & Requirements section of this document, the Schulhof Animal Hospital policies document, and the General Release, Informed Consent & Assumption of Risk document.

_____ Date ____/____/_____
Owner or Responsible Party

A copy of this agreement will be kept on file and will remain valid unless otherwise notified. If changes are made to our Pet Spa Day Boarding Agreement, we will ask you to sign the new agreement, which will in turn nullify the previous agreement.
